

# THE KU EDWARDS ADVANTAGE

*The edge students need to boost employability, engage in civic responsibility, and strengthen skills through action.*

INFORMATION  
LITERACY

CAMPUS & COMMUNITY  
ENGAGEMENT

SELF KNOWLEDGE

CULTURAL PERSPECTIVE

HEALTH & WELL-BEING

PROFESSIONAL SKILLS

## INFORMATION LITERACY:

Developing critical thinking skills, evaluating information, and communicating effectively.

## CULTURAL PERSPECTIVE:

Engaging with cultural differences, understanding historical or global inequities, and striving for more just outcomes.

## CAMPUS & COMMUNITY ENGAGEMENT:

Expanding belonging and purpose through community based actions, intentional service engagements, and/or club and organization participation.

## HEALTH AND WELL-BEING:

Designing a wellness plan that prioritizes a balanced, holistic, and intentional lifestyle.

## SELF KNOWLEDGE:

Executing self-awareness, identifying strengths, implementing reflective practices, and using emotional intelligence.

## PROFESSIONAL SKILLS:

Enhancing career readiness skills, connecting with industry, and elevating employability outcomes.
