

We will value engagement and collaboration;

taking **RESPONSIBILITY**
inside and outside of the classroom

to be active members of the

GLOBAL COMMUNITY

who embrace the tenets of the

KU Edwards Graduate Hallmarks.

We will strive for **INNOVATION**,
using our **EDUCATION** to find
new and creative **SOLUTIONS**

to problems facing
our students, our campus,
our community and the world.

WE will actively foster
UNITY and **PROFESSIONALISM.**

Our **COMMUNITY** is based in tradition and
is continually growing
through healthy relationships
and effective communication.

**We will advocate for
equity and inclusion,**

respecting all Jayhawks are unique and
have their own personal stories,
*while cultivating a safe community
rooted in EQUITY and JUSTICE.*
