

Be a sustainable Jayhawk!

Take advantage of these sustainable options on campus

- **Recycling bins** are in all classrooms, offices, and open areas on campus
- **Glass recycling bins** are in the main lobby of each building
- **Use water bottle refill stations** on BEST 1st floor and on all levels of the Regents Center
- **Find electric vehicle charging stations** at the east end of the BEST parking lot

Use these guides posted throughout campus to sort your items for recycling and trash.
